MAY 14 P3:24

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have had wonderful results
using compounded medications. After
trying regular prescription hormones
with no results, these have worked
beautifully. Leave things alone,
please.
